MONTESSORI EDUCATIONAL MATERIALS

Thank you for taking the time to review our catalogue. Whether you are a teacher, a homeschooler, or a parent wanting to enrich your child's learning experience, Cabdev can help you put together the right materials to meet your learning and budget needs.

We are a family business and have been serving the Montessori community for over 35 years. Our doors opened in 1972 with a small selection of high quality materials. We now carry over 400 items in our Toronto warehouse.

Cabdev's real success has been based on the attention to the detail and personal service we provide to our customers; going the extra mile to make sure that we have done our best to represent ourselves and our products with honesty and integrity. It is our job to make sure that the materials and service you receive from us meet your standards. Once you have reviewed our catalogue and price list, please feel free to call us with any questions you may have. Our toll free number is: 1-877-631-8310 or local: 416-631-8310.

We have a long term commitment to developing strong customer relationships and want you to be one of our valued customers. We look forward to working with you.

We offer over 200 different types of card material and manuals. Visit our website at www.cabdevmontessori.com for pictures and descriptions of our full line.

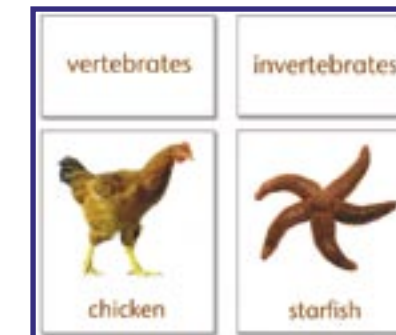

IN-PRINT FOR CHILDREN

Picture cards and charts designed for matching, classifying, labeling, and sequencing in areas of sensory perception, language, geography, biology, and zoology. For preschool and elementary classrooms.

AK4 Farm Animal Families

GS3 Vertebrates / Invertebrates Classification

FK4 Fungi

MONTESSORI RESEARCH AND DEVELOPMENT

Card materials for senses, phonics, language, botany, zoology, history, geography, chemistry, music, plus manuals and books for preschool and elementary.

BP.43 Zoology Nomenclature (3-6 years)

GME.03 Geometry Classified Nomenclature (Elementary)

IF YOU DON'T SEE IT...Please ask.

In many cases we can source almost anything for your Montessori classroom.

TODDLER

AS-JS2040 Wooden Beading Rods

Children identify beads of different shapes and colours as they follow the pattern boards. Set includes 5 pattern boards for children to follow, 5 wooden rods, and assorted wooden beads to create patterns. Wooden box and lid included.

AS-JS2051 Size and Shape Sorting Board

A great tool for shape, colour, and size discrimination. 16 brilliantly painted wooden pegs in 4 shapes and colours of varying sizes and a wooden board complete the set.

AS-JS2056 Nesting Cylinders

Five nesting wooden cylinders. Largest cylinder measures approximately 2" in diameter.

AS-JS2057-1 Knobbed Cylinder Blocks

Introductory set of knobbed cylinder blocks for ages 0-3.

AS-JS2077 Geometric Shape Sorter

This set of 5 imbuca boxes and 2 bags of small geometric solids (20) allow children to sort the different shapes and experiment with different planes of geometry.

AS-JS2077-1 Imbuca Boxes

2 wooden boxes, each with shaped holes to fit various geometric solids. Cloth bag and 10 wooden geometric solids included.

TODDLER

AS-JS2078 Circle Puzzle Board

Extra large knobbed puzzles make it easy for young children to experiment with size discrimination.

AS-JS2079 Shape Sorting Puzzle

Extra large knobs provide easy grasping for young children to experiment with various shapes.

AS-JS2080 Geo Shape Ring Blocks

Children can sort and count the rings of different colours and shapes. Set includes 4 wooden blocks that contain a different shaped peg and varying numbers of rings in bright colours.

AS-JS2082 Numbers Puzzle

An exercise in distinguishing different shapes. Children are introduced to the numbers 0-9.

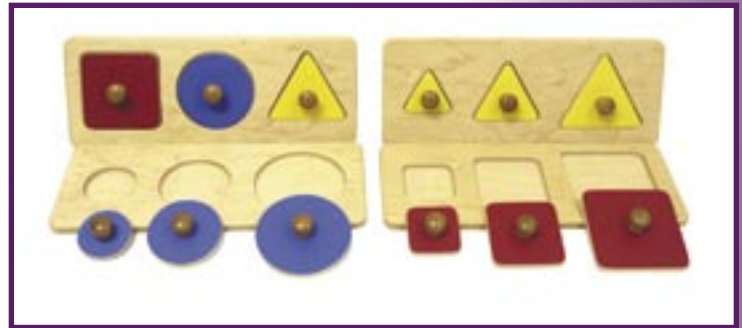

AS-JS2088 Nuts & Bolts Matching Set

Children explore colours and shapes while exercising muscle coordination. Set of 4 plastic nuts & bolts on a wooden board and tray.

AS-JS2089 Toddler Size & Shape Puzzles

This beginning puzzle set features large wooden knobs for toddlers to practice grasping and introduces size & shape discrimination to the young child. Set includes all 4 puzzles pictured.

AS-JS2104 Farm Nesting Cubes

Set of 10 Nesting Cubes introduces 3 dimensional size discrimination and the concept of volume. Sides are painted with a sheep, cow, horse, and rooster, and a barn on top.

AS-JS2094 Infant Nesting Cube

This first nesting cube gives young ones an introduction to size and shape relationships as well as physical properties. All wood pieces make it a great keepsake. Two-piece nesting cube measures approximately 2" in diameter.

AS-JS2095 Cube Rattle

Infants are stimulated by the jingling noise of the bell. An open cube lets them see what's inside making the noise! Wood finish makes for an attractive keepsake or gift.

AS-JS2096 Cylinder Rattle

Coloured beads add extra stimulation to this rattle. Infants enjoy rolling the rattle along the floor motivating them to crawl.

AS-JS2097 Toddler Object Permanence Tray

This material allows infants to experiment with object permanence. Ping-pong ball included.

TODDLER

AS-JS2098 Toddler Object Permanence Drawer

Toddlers practice finger grasping opening the drawer while reaffirming object permanence. Ping-pong ball included.

AS-JS2099 Toddler Pom-Pom and Drawer

This material allows the child to discover physical properties of objects. Pom-pom measures slightly larger than the hole so that the child must push it through. Pom-pom included.

AS-JS2100 Round Knobbed Drawers

Toddlers practice small finger grasping while experimenting with arm and wrist motions opening and closing the drawers.

AS-JS2081 Cubes on Vertical Peg

Toddlers practice hand/eye coordination and explore different finger grasps. Includes 3 painted wooden cubes and a wooden peg and stand.

AS-JS2103 Wheels on Vertical Peg

Toddlers practice hand/eye coordination and explore different finger grasps. Includes 3 painted discs and a wooden peg and stand.

AS-JS2084 Wheels on Horizontal Peg

Toddlers practice hand/eye coordination and explore different finger grasps. Includes 3 painted discs and a wooden peg and stand.

AS-JS2101 10 Puzzle Set

Our 10 puzzle set has just gotten better! We love the new selection: Jungle Animals, Body Parts, My Face, Fruit, Shapes, The Garden, Family Tree, Sea Animals, Transportation, & Weather. Puzzle pieces are raised for easy play. Wooden cabinet included. See our website for new puzzle images.

TODDLER

100010 Toddler Velcro Frame
Quilted dressing frame with 1 large piece of velcro - washable.

100020 Toddler Snapping Frame
Quilted dressing frame with 3 large snaps - washable.

100030 Toddler Buttoning Frame
Quilted dressing frame with 3 large buttons - washable.

V-S223D Pound 'N Pound

The 3 wooden balls can be pounded until they drop into the lower section, and can be easily retrieved by removing the top. A classic toy that helps to develop eye-hand coordination. Suitable for children over 2 years. Approximately 5"x12"x5".

V-S202C Hammer 'N Roll

Children can exercise their arms and develop hand-eye coordination by pounding on the colourful wooden pegs. In addition to this, the sturdy base is designed to allow the toy to be rolled on the floor. Suitable for children over 1 1/2 years. Approximately 5"x7"x4".

PRACTICAL LIFE

Dressing Frames are made of hardwood with durable material securely attached to the 30.5 cm x 30.5 cm (12"x12") frames.

P 99 Dressing Frame Stand - 6 Frames

P100 Dressing Frame Stand - 12 Frames (not shown)

P101 Snapping Frame

P102 Buttoning Frame - Large Buttons

P103 Hook and Eye Frame

P104 Bow Tying Frame

P105 Lacing Frame

P106 Buckling Frame

P107 Buttoning Frame - Small Buttons

P108 Zipping Frame

P109 Safety Pin Frame

P110 Shoe Lacing Frame

P111 Velcro Frame

700003 Small Sorting Tray

3 compartment tray approximately 9" x 5" in size and 1 inch deep.

700004 Small Sorting Tray

4 compartment tray approximately 10" x 6" in size and 1 inch deep.

AS-JS5014 Wooden Tray (large)

Set of 2 large wooden trays-each approximately 16.5" x 10.6" x 1.25"

AS-JS5014-1 Wooden Tray (med.)

Set of 2 medium wooden trays-each approximately 12.5" x 8.25" x 1.25"

AS-JS5014-2 Wooden Tray (small)

Set of 2 small wooden trays-each approximately 9.5" x 6.25" x 0.875"

AS-JS1021-2 Flower Tray

A Plastic Tray great for sorting or transferring. Tray can also be used to hold paints or other art materials.

AS-JS1022 Transferring Set-Small Marbles

Set consists of a wooden tray, a glass cup, wooden tongs, assorted rubber patterns, and small glass marbles.

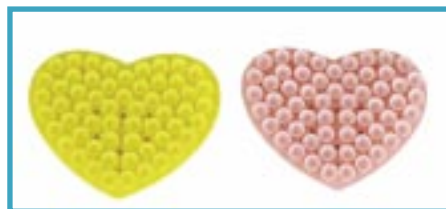

AS-JS1075 Rubber Pads

Five rubber pads of assorted shapes and colours for bead placement.

AS-JSC025 Small Placement Pad

One small suction mat, approx. 3" x 4".

AS-JS1001 Sponge Squeezing Set

Set includes a wooden tray, a large plastic bowl, a plastic pitcher, a sponge and sponge tray.

AS-JS1002 Ice Cubes Transferring Set

Set consists of a wooden tray, wooden tongs, two glasses, and colourful plastic ice cubes in assorted shapes.

AS-JS1003 Vegetable Cutting Set

Set features assorted wooden vegetables with velcro centers, a wooden knife, and a wooden cutting board. Wooden tray included.

PRACTICAL LIFE

AS-JS1004 Water Transferring Set

Set consists of a wooden tray, two glass containers, a syringe, a sponge and sponge tray.

AS-JS1008 Pouring Set

Set consists of a wooden tray, four small beakers and one larger beaker, a sponge and sponge tray.

AS-JS1011 Corn Scooping Set

Set consists of a wooden tray, two glass bowls, a double sided scoop, and a bag of corn.

AS-JS1017 Water Pouring Set - Glass Pitchers

Set includes a wooden tray, two small glass pitchers, a sponge and sponge tray.

AS-JS1018 Water Pouring Set - Plastic Pitchers

Set includes a wooden tray, two plastic pitchers, a sponge and sponge tray.

AS-JS1019 Water Pouring Set - Decanters

Set includes a wooden tray, two decanters, a funnel, a sponge and sponge tray.

AS-JS1020 Tea Pouring Set

Set includes a wooden tray, four tea cups and four tea cup stands, a Chinese tea pot, a sponge and sponge tray.

AS-JS1024 Bottles and Caps

Set includes a wooden tray with assorted bottles and caps.

AS-JS1025 Towel Wringing Set

Set includes a wooden tray, a large plastic bowl, a plastic pitcher, and a plastic box containing a towel, a sponge and sponge tray.

AS-JS1026 Hand Broom and Dust Pan Set

Set consists of a wooden tray, a hand brush and dust pan, a plastic bowl, and a bag of grain.

AS-JS1027 Hand Washing Set

Set includes a wooden tray, an apron, a plastic soap dish, a hand towel in a plastic container, a plastic bowl and pitcher, a small cleaning brush and tray, a sponge and sponge tray.

AS-JS1029 Whisk Soap Bubbling Set

Set includes a wooden tray, a whisk, a plastic bowl and pitcher, a sponge and sponge tray.

AS-JS1031 Cutting Set

Set includes two wooden trays, a cutting board, a plastic knife, three ceramic dishes, an apron, a plastic food container, a towel in a plastic box, and a sponge and sponge tray.

PRACTICAL LIFE

AS-JS1037 Water Transferring Set (with baster)

Set includes a wooden tray, two glass bowls, a mini-baster, a sponge and sponge tray.

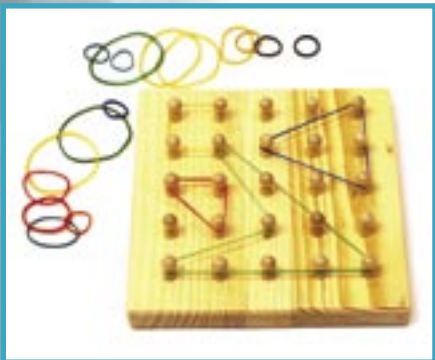

AS-JS1058 Wooden Mortar and Pestle Set

Wooden bowl base and a wooden pestle. Bowl measures approximately 4 1/2" in diameter and 4" high; pestle measures approximately 7 1/2" long.

AS-JS1072 Pearl Transferring Set

Set consists of a wooden tray, a ceramic dish, a rubber pad, large plastic tweezers, and a bag of small pearls.

AS-JS1076 Wooden Geoboard

Wooden geoboard with 25 knobbed pegs; measures approximately 7" in diameter. Includes bag of rubber bands.

AS-JS1021-1 Meatball Tongs

A single pair of meatball tongs for use with Practical Life exercises.

AS-JS1002-1 Wooden Tongs

A single pair of wooden tongs great for Practical Life exercises.

AS-JS1072-1 Plastic Tweezers

A single pair of plastic tweezers for a variety of Practical Life exercises.

AS-JS1052-2 Model Clothes Hanger Set

Small muscle coordination is exercised opening the clothespins while felt cutouts add a tactile experience. Includes wooden Model Clothes Hanger, 12 painted clothespins, and an assortment of felt clothing cutouts.

AS-JS1087 Handbroom & Dustpan

A set of one small handbroom & dustpan. Colour may vary. (approx. 3" x 4")

AS-JS2068 Seven Bolt Board

7 nuts and bolts of varying size mounted on a wooden board.

AS-JS1047 Embroidered Folding Cloths

Children practice folding along lines of various patterns. Set includes 6 linen cloths embroidered with folding lines and a box with lid.

SENSORIAL

S1-1 Cylinder Blocks

Set of 4 natural wood blocks made of solid hardwood and crafted to a high quality smooth finish.

S2-5 Knobless Cylinders

Set of 4 boxes with the lids containing 10 coloured knobless cylinders.

S3-2 Pink Tower

10 wooden cubes painted pink and graded in size from 1 cubic centimeter to 10 cubic centimeters (with stand).

S4-2A Stand for Pink Tower

AS-JS2010 Pink Tower Extension Charts

Extension activities. Four laminated cards demonstrate 4 extensions of the pink tower. Charts measure approximately 17" x 12".

S5-3 Broad Stair

Wooden prisms made from hardwood and graded in progressions from 1 x 1 x 20 cm to 10 x 10 x 20 cm.

S6-4 Red Rods

Wooden rods painted red, increasing in length in 10-cm units to 1 meter long - constant height and width.

S7-8/1 First Box of Colour Tablets

Box with lid containing 3 matching pairs of colour tablets.

S8-8/2 Second Box of Colour Tablets

Box with lid containing 11 matching pairs of colour tablets.

S9-8/3 Third Box of Colour Tablets

Box with lid containing 63 colour tablets, 9 colours graded into 7 shades.

S9-8/4 Fourth Box of Colour Tablets (not shown)

Box with lid contain 64 colour tablets – 32 pairs.

SENSORIAL

S10-7 Touch Boards

Box with lid consisting of 3 boards. The first board has 2 panels, 1 rough and 1 smooth. The second board has 4 panels, alternating rough and smooth. The third board has 5 panels graduated from smooth to coarse.

S11-9 Touch Tablets

Box containing 5 pairs of wooden tablets that are covered with sandpaper of varying grades of roughness.

S12-13 Stereognostic Shapes

10 pairs of wooden shapes in a cloth bag.

S13-12 Baric Tablets

Consists of 3 boxes - 1 box containing 7 light-weight tablets, 1 box containing 7 medium-weight tablets and 1 box containing 7 heavy-weight tablets.

S14-14 Geometric Cabinet

6 drawer wooden cabinet with 36 insets - 33 blue geometric shape in wood frames, 3 solid wood squares.

S15-15 Demonstration Tray

Tray with 3 basic geometric shape insets and 3 blank wooden squares.

S16-16 Geometric Form Cards

Cards in 3 series - solidly filled, thick line and thin line - correspond to 33 shapes in geometric cabinet.

S17-16A Geometric Form Cards Box

3 shelf box - sorts geometric form cards by series - solid, thick line, thin line.

S18-17 Geometric Form Cards Box

6 shelf box - organizes geometric form cards to correspond to the drawers of the Geometric Cabinet.

S19-11 Geometric Solids

10 geometric solids - blue with glossy finish.
3 wooden stands for curved solids are included.

S20-11A Bases for Geometric Solids with Box

Box containing 5 bases for the geometric solids.

S21-6 Constructive Triangles

5 boxes with lids - 2 rectangular, 1 triangular, 1 small hexagonal and 1 large hexagonal.

S22-22 Constructive Blue Triangles (not shown)

A rectangular box, with lid, containing 12 blue, right-angled, scalene triangles.

SENSORIAL

204200 Smelling Bottles
Wooden tray containing a set of 8 empty plastic bottles with lids.

204300 Tasting Bottles
Set of 8 glass tasting bottles with tray.

S23-18 Binomial Cube
Cube contained in hinged box with painted lid (colour-coded pattern) - 8 painted cubes and prisms.

S24-19 Trinomial Cube
Cube contained in hinged box with painted lid (colour-coded pattern) - 27 painted cubes and prisms.

S25-10 Sound Boxes
2 boxes with lids containing 12 (total) wooden cylinders graded from soft to loud - red and blue sealed caps.

S26-65 Circle, Square and Triangle (not shown)
Set of 3 wooden boxes with lids containing 3 sets of plastic circles, 3 sets of plastic squares, and 3 sets of triangles - 10 pieces per set, sized 1 to 10 cm - red, yellow and blue.

204900 Thermic Tablets
Set of 5 pairs of tablets in divided box with lid. Each tablet is 8cm x 4cm. The set consists of the following pairs: glass, cork, wood, slate and steel.

AS-JS2022 Thermic Bottles
Wooden box with 8 compartments contains 4 pairs of stainless steel bottles to be filled with water of various temperatures.

L83 Solid Grammar Symbols

Set of 9 different solid grammar symbols.

L83a Noun and Verb Introduction Solids

Black pyramid (noun) and red sphere (verb) with tray.

L84 Wooden Grammar Symbols

Set of 9 different grammar symbols in box with lid – includes 10 of each symbol.

L88 Metal Insets with Stands

10 blue metal insets in pink frames with 2 wooden stands.

L89 Small Paper Rack

A wooden rack 14 cm x 14 cm (5.5" x 5.5").

L90 Large Paper Rack

A wooden rack 20 cm x 20 cm (8" x 8").

L91 Wall frame for Metal Insets (not shown)

L88a Tracing Tray for Metal Insets

CB-1 Chalkboard

2 sided, 12" x 20" - blank.

CB-2 Chalkboard

2 sided, 12" x 20" – one side squares, one side double lines.

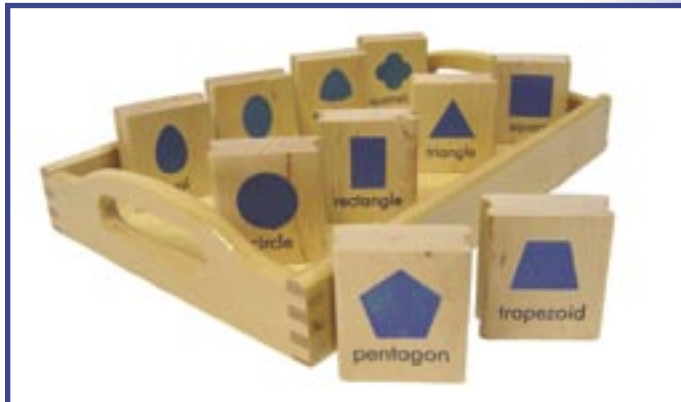

CB-3 Chalkboard

2 sided, 10" x 12" - blank.

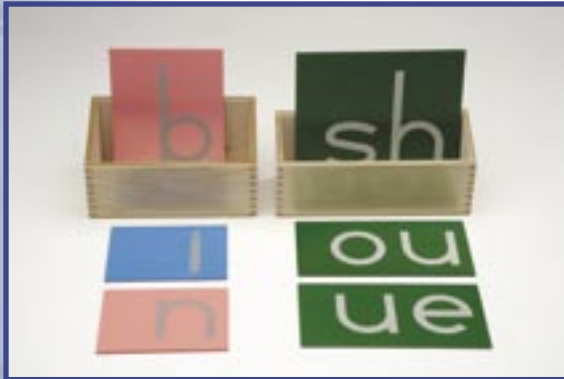

AS-JSE016 Geometric Shape Stamps

Our 10 geometric shape stamps, labeled with each name, match the shapes of the metal insets. Wooden tray included.

LANGUAGE

L85 Sandpaper Letters - Print with Box

Lower case print consonants on pink painted boards, vowels on blue.

L85a Double Sandpaper Letters - Print with Box

Sixteen double letter combinations in print: er, ee, ar, ou, oo, ai, or, ue, ie, au, oa, sh, ch, oy, th, qu.

L85b Sandpaper Capitals - Print with Box (not shown)

A complete upper case alphabet in print.

L85d Sandpaper Letters – D’Nelian with Box (not shown)

L85/1 Sandpaper Letters - Cursive with Box

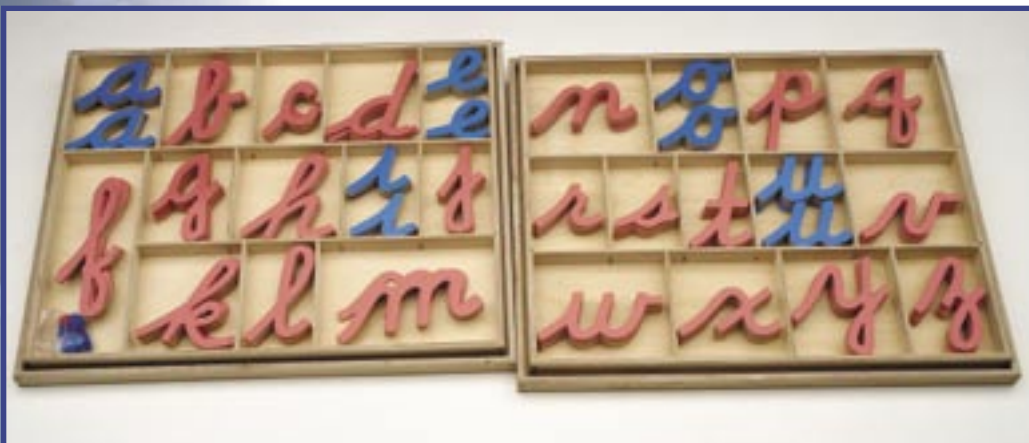

Lower case cursive consonants on pink painted boards, vowels on blue.

L85/2 Double Sandpaper Letters - Cursive with Box

Sixteen double letter combinations in cursive.

L85/3 Sandpaper Capitals - Cursive with Box

A complete upper case alphabet in cursive.

L86C Large Movable Alphabet - Cursive

Pink and blue letters in wood - 2 boxes with lids. 10 of each vowel, 5 of each consonant.

L86D Large Movable Alphabet – D’Nelian (not shown)

AS-JS3201 Alphabet Sand Job

Children love practicing writing letters in these trays of sand. Write and erase as many times as you want! Set includes 2 stackable wooden trays and lid, 2 bags of coloured sand, and a wooden slab to smooth out the sand.

L86 Large Movable Alphabet - Print

Pink and blue letters in wood - 2 boxes with lids. 10 of each vowel, 5 of each consonant.

L87 Small Movable Alphabet - Print

2 boxes with lids - sets of red and black letters in wood. 10 of each vowel, 5 of each consonant per box.

L87RB/P Small Movable Alphabet - Print

Red and blue letters in wood - 1 box with lid. 20 of each vowel (blue), 10 of each consonant (red).

L87RB/C Small Movable Alphabet - Cursive

Red and blue letters in wood - 1 box with lid. 20 of each vowel (blue), 10 of each consonant (red).

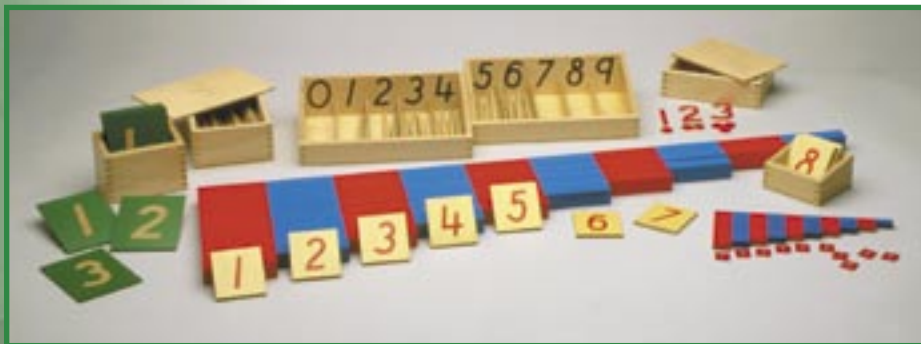

96 The Farm

Comes complete as shown. A great language resource for the classroom. Farm table and word labels are not included.

97 Farm Table (not shown)

98 Word Labels for Farm (not shown)

M1-26 Number Rods

10 wooden rods divided into units by alternating colours of red and blue and progressing in 10 equal steps from 10 cm to 1 meter.

M2-27 Printed Numbers

Wooden tablets with numbers 1-10 printed in red. The tablets stand in an open wood box.

M3-28 Sandpaper Numbers

10 wooden boards painted green with rough sandpaper digits 0-9.

M4-30 Spindle Boxes

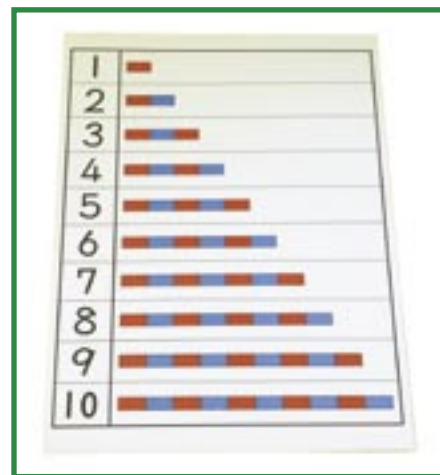

Complete with 2 boxes (0-4 and 5-9) and 45 spindles.

M7-61 Cut Out Numbers and Counters

A box with lid, containing red wooden cut out numbers 1-10 and 55 red plastic counters.

M8-26A Small Number Rods

2 sets of 10 small wooden rods alternating colours red and blue. Number tiles included.

AS-JS4003 Number Rods Chart (laminated)

M13a-37a Introduction to Decimal Quantity

Tray containing a golden bead unit, bead bar, bead square and bead cube for introducing the decimal quantities of 1, 10, 100, and 1000 (number cards not included).

M13a-37b Introduction to Decimal System

Tray holding a unit tray and 3 boxes: the set consists of 9 golden bead units, 9 bead bars, 9 bead squares and a bead cube for presenting the decimal system from 1 to 1000.

All items in M100 can be purchased separately. Please refer to our price list or website for details.

M100 Golden Bead Material Set

Includes: Golden Bead Units - Pkg. of 45 (x2), Golden Bead Bars of 10 - Pkg. of 45, Wooden Squares of 100 - 45 squares, Wooden Cubes of 1000 - 9 cubes, Box with Lid for items Bead Units, Bead Bars, Wooden Squares, Wooden Cubes, Medium Wooden Trays (x3), Introduction to Decimal System.

M19-47 Wooden Trays - Set of 3 trays.

Each tray measures 33 cm x 19 cm (13" x 7 1/2") - 2.5 cm deep.

M19-47a Wooden Tray - Large

Tray measures 35cm x 23 cm (13.75" x 9") - 4 cm deep.

M26-67 Stamp Game

M40-34 Multiplication Board Set

Wooden board with 100 cavities in 10 rows of 10 with numerals 1-10 across the top and 2 slots on the left side. Box with lid contains 100 red beads, 2 red disks and printed plastic cards with numerals 1-10.

M44-33 Division Board Set

Wooden board with 81 cavities in 9 rows and columns with numbers 1-9 printed along the top and down the side. Box with lid containing 81 green beads and 9 green skittles.

MATHEMATICS

M27-29 Seguin Boards

Complete set of 2 boxes with lids containing teen boards and ten boards.

M28-35 Teen Bead Box

Box with lid containing 9 golden bead bars and a coloured bead stair 1-9.

M29-36 Tens Bead Box

Box with lid containing 9 golden bead units and 9 golden bead bars.

M27a-29a Teen Bead Hanger

This extension exercise is used to help children grasp the concept of teens. Beads are included with this item.

M35b Introduction to Coloured Bead Stair

This exercise is an extension of item M4-30 Spindle Boxes. Beads are included with this item.

M34-59 Complete Bead Material

A complete set of long and short chains plus the corresponding cubes, squares and units - individual nylon beads.

M35-59A Bead Material Cabinet

Cabinet for displaying the complete bead material - shelves for cubes and squares, hooks for chains.

M30-54 Golden Bead Chain of 1000 with Box (not shown)

Box with lid containing 10 hundred chains linked together to form the thousand chain.

M32-52 Short Chains (not shown)

Set of coloured bead chains and squares for numbers 1-10 in box with lid.

MATHEMATICS

M36-51 Addition Snake Game

Tray and 3 wooden boxes containing 5 sets of coloured bead stairs 1-9, 1 set of black and white bead stairs 1-9, and 23 golden bead bars.

M37-31 Addition Strip Board with Strips

White hardboard chart, 12 squares by 18 squares with printed numbers 1-18. Box containing 9 red strips of varying lengths and 9 solid blue strips of varying lengths, both printed 1-9.

M38-55 Subtraction Snake Game

Tray holding 4 wooden boxes with lids containing 5 sets of coloured bead stairs 1-9, 1 black and white bead stair 1-9, 5 sets of negative bead stairs 1-9, and 25 golden bead bars.

M39-32 Subtraction Strip Board with Strips

White hardboard chart (12 squares by 18 squares) with printed numbers 1-18. 2 boxes containing 9 red strips of varying lengths, 9 solid blue strips of varying lengths (both printed 1-9), 17 natural wood strips of varying lengths.

M41-53 Multiplication Bead Box

A box with lid, divided into compartments and containing 10 bead stairs 1-10.

M42-69 Decanomial Bead Bar Box

A box with lid, divided into compartments and containing 55 bead stairs 1-10.

M45-56 Small Bead Frame

A wooden self standing frame with 4 horizontal wires, each strung with 10 beads.

M46-57 Large Bead Frame

A wooden self standing frame with 7 horizontal wires, each strung with 10 beads.

M57A Flat Bead Frame (not shown)

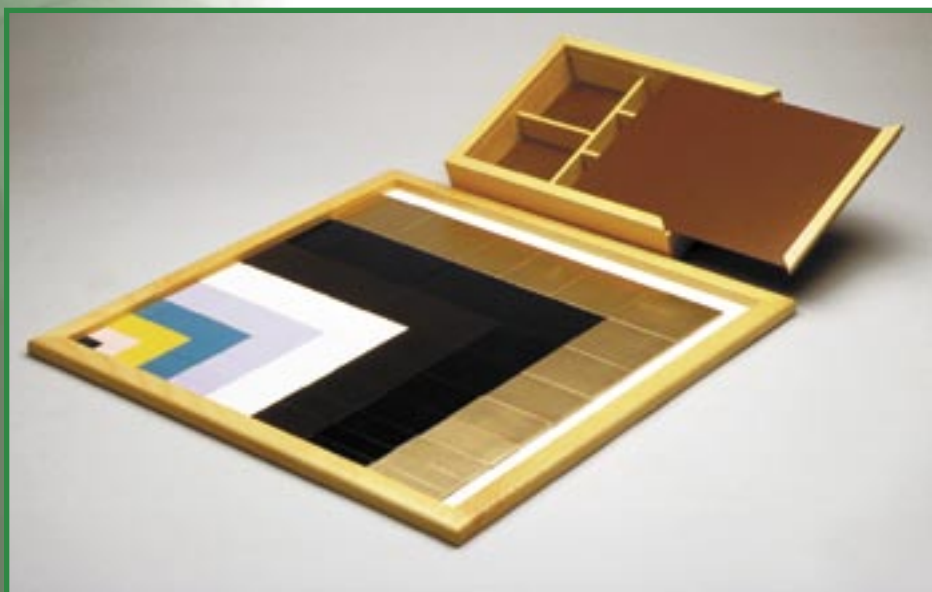

Flat wooden frame with 9 columns of movable beads used for multiplication.

M69A Multiplication Bead Bar Layout Box (not shown)

Box with lid containing the necessary number of bead bars (1-10) for multiplication tables 1x1 to 10x10.

M43 Decanomial Squares (Pythagorus) with Board

Complete with wooden box with slide top lid and framed working board 64.7 cm x 64.7 cm (25.5" x 25.5"). Box contains 10 sets of wooden, colour coded squares and rectangles.

M47-58 Fraction Circles with 2 Stands

Set of 10 wooden fraction circles with knobs ranging from whole to tenths.

M58A Metal Fraction Circles with 2 stands

M48-62 Square and its Division (squares and rectangles) with Stand

Square and its Divisions (squares, rectangles, and triangles). Set of 5 squares with knobs.

M49-63 Square and its Division(triangles) with Stand

Triangle and its Divisions. Set of 4 equilateral triangles – whole to fourths.

M50-64 Triangle and its Divisions with Stand

Set of 4 equilateral wooden triangles - 1 whole, 1 halves, 1 thirds, and 1 fourths. Triangles are painted red and are set in green wooden frames with bottoms.

M58B Large Fraction Skittles

M74 Division Material (not shown)

The set consists of 4 colour coded division boards, a wooden tray holding 7 wooden racks of test tubes, beads, bead cups and skittles. The material is used for long and short division with dividends up to the millions and divisors from 1 to 4 digits.

M75 Geometric Stick Material (not shown)

A box with lid containing sets of colour coded sticks, plastic curves, a plastic measuring angle, a plumb line, tacks and fasteners. 60cm x 50cm board is not included.

M70 Hundred Board

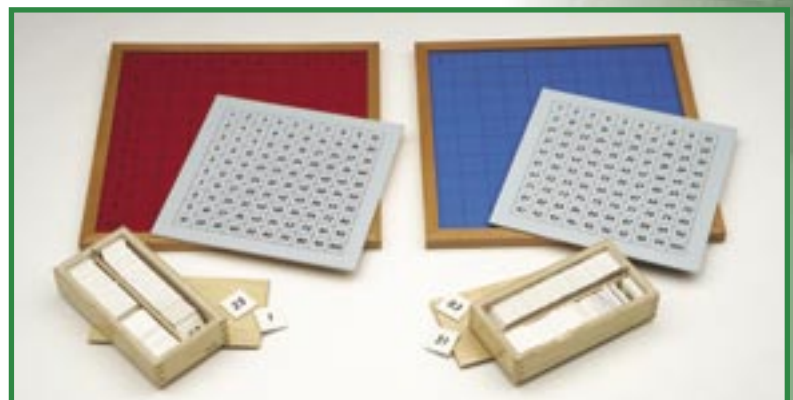

The set consists of a board with 100 squares and a box with lid containing numbered tiles 1-100 for reinforcing the sequence of numbers from 1 to 100.

M70A Control Chart for Hundred Board

M71 Pythagorus Board

The set consists of a printed board with 100 squares and a box with lid containing numbers tiles for the products of multiplication equations 1x1 to 10x10.

M71A Control Chart for Pythagorus Board

M202 Power of Two Cube

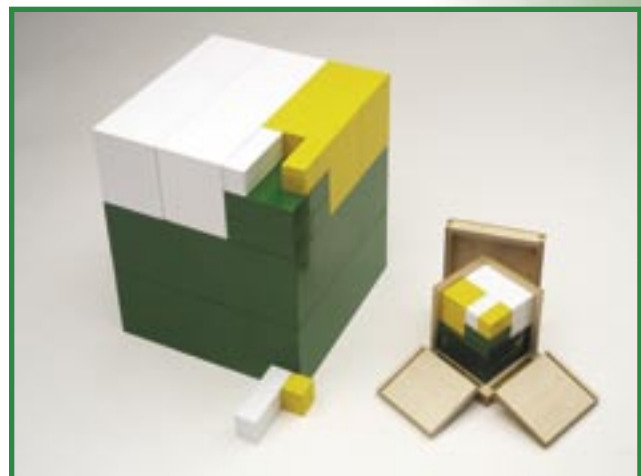

A hinged box with lid containing cubes and prisms demonstrating the power of two – each cube / prism a progression of squaring the previous piece.

M203 Power of Three Cube

A set of cubes and prisms demonstrating the power of three.

M204 One Cube / Yellow (not shown)

27" x 27" x 27"

MATHEMATICS

M750 Checkerboard

A wooden board with colour coded, hierarchical squares for long and short multiplication up to 100 million. The checkerboard beads M753 and number tiles M752 are required for this exercise.

M751 Box of Gray and White Number Tiles

A two compartment box with lid containing a more advanced set of tiles for use with the checker boards, flat bead, etc. All the numbers on the tiles are printed in black.

M752 Box of Number Tiles (for use with M57A, M750, M754)

A six compartment box with lid containing a colour coded set of tiles for use with the checker boards, flat bead, etc. The printed numbers are coloured to reinforce the hierarchy of the decimal system.

M753 Checkerboard Beads with Box

A box with lid containing 20 of each bead bar 1 through 9.

M754 Decimal Checkerboard (not shown)

A wooden board with 49 coloured squares arranged in diagonals to represent the hierarchies from millions to millionths and differentiates decimals from whole numbers. The checkerboard beads M753 and number tiles M752 are required for this exercise.

M755 Algebraic Peg Board

A board with 900 holes used for demonstrating the mechanism of finding square root.

M756 Pegs with box for M755 Peg Board

A box with lid containing colour coded pegs and cups for use with the Peg Board.

M757 Bank Game (not shown)

A box with lid containing colour coded number cards and role / name cards for use with a group of children to reinforce the concept of long multiplication.

EXTENTION MATERIALS FOR MATH

AS-JS4051 Number and Counter Match-up Puzzle

Unique cuts help children match quantity with their matching symbols. Set consists of 1-10 puzzles in a wooden storage box with lid.

AS-JS4060 Number Stamps

MISCELLANEOUS ITEMS

133 Roman Arch

Used for demonstrating the principles of keystone construction. This item includes the base with mounted side pieces and all blocks as shown.

134 Clock with movable hands

This introductory material consists of 12 red disks numbered 1–12 and 12 blue disks numbered 12-24. The clock board is removable from its base, which is also used to store the disks not in use.

V-S218 Learning Clock

A useful tool for teaching a child to tell time. The colourful hanging clock clearly shows the number of minutes in an hour, a half hour and a quarter of an hour. It can also be dismantled by unscrewing the wooden nut. Approximately 8"x10"x2".

AS-JS4100-1 On The Hour

Set includes twelve double sided wooden flash cards and answer tabs for directed or individual learning, and a pad of blank clock face sheets for further practice. Side 1 of the flash card depicts a clock, the reverse side has the "answer."

AS-JS4100-2 Half Past The Hour (not shown)

Set includes twelve double sided wooden flash cards and answer tabs for directed or individual learning, and a pad of blank clock face sheets for further practice. Side 1 of the flash card depicts a clock, the reverse side has the "answer."

AS-JS4100-3 Quarter Past The Hour (not shown)

Set includes twelve double sided wooden flash cards and answer tabs for directed or individual learning, and a pad of blank clock face sheets for further practice. Side 1 of the flash card depicts a clock, the reverse side has the "answer."

AS-JS4100-4 Quarter To The Hour

Set includes twelve double sided wooden flash cards and answer tabs for directed or individual learning, and a pad of blank clock face sheets for further practice. Side 1 of the flash card depicts a clock, the reverse side has the "answer."
